

K-LOVE serves me as a resident of the local community by providing commercial free positive and uplifting music and programming. Their music and programming has brought me hope and encouragement through some tough times in my life. The programming is unique and there would be a void left if the station was replaced by an LPFM station providing some other programming. I believe the service provided by K-LOVE is in the public interest because it is the only station in the area providing commercial free, positive, and family friendly programming.
